CHIEF EXECUTIVE OFFICE

August 7, 2008

Dear West Park,

As you are aware, the pioneer Crows Landing cemetery is located either on the grounds of the former Naval Air Station or adjoining it near the east gate. What precautions will be taken so that the grave sites will not be disturbed? My great-grandmother Ellen O'Connell Bird Niddrie is buried there as is her son Joseph Bird and many other West Side pioneers.

Sincerely,

Patricia S. Snoke
